I have been working in this area since 1993, I have not had any problems with MKN concerning parking or any accidents with my vehicles. I am very happy with the way that the parking lot is run, and I am in and out alot and they always make sure that my car is available for me to move in and out. Even when I work late they make sure that my car is secure before they leave.

I could not have asked for a better person than Mohamad to run this parking and I feel secure when I leave my car in the lot, I trust him. I also feel that he treats everyone the same .

Sincerely,

Denise J. Westray
