Providing professional and volunteer services to blind and visually impaired people in the National Capital Area

January 18, 2002

To Whom It May Concern:

The Parking Attendants who work for MKN Management are always pleasant and courteous. Every morning they greet you with a smile and seem to always be on top of their jobs. I sincerely hope they are being treated with as much respect and admiration as they treat others with.

Sincerely,

A handwritten signature in cursive script, appearing to read "Samantha R. Braxton". The signature is written in a dark ink on a light background.
